

PROGRAM OVERVIEW

Welcome to the Motorsport Australia National Insurance Program provided by Gallagher. As the appointed insurance brokers of Motorsport Australia, Gallagher is delighted to provide the following information to assist you with your motorsport and enthusiast club operations and event management throughout the year.

What is the Motorsport Australia National Insurance Program

The Motorsport Australia National Insurance Program (the Program) is made up two (2) key policy categories:

- **Public and Products Liability Insurance**
- **Personal Accident/Injury Insurance**

Gallagher offer additional specialised insurance products to members of Motorsport Australia to compliment the coverage provided within the Motorsport Australia National Insurance Program. Information relating to these additional products can be found within this resource and via our dedicated Motorsport Australia web site.

The information provided by Gallagher within this resource is a general overview of the Program only and establishes the coverage afforded to Motorsport Australia clubs, members, volunteers, officials and permit holders accordingly.

What information is available?

Gallagher believes access to information is important when it comes to insurance and risk protection. Therefore, we are pleased to provide Motorsport Australia with a range of resources and information via our Motorsport Australia-specific web site: sport.ajg.com.au/motorsport-australia

The web site is updated throughout the year to ensure you have access to the latest information, recourses and coverage details. This handbook can be downloaded as a single file so you can distribute it to your members or discuss it at committee meetings.

Alternatively, we have created individual summary documents for certain sections of the Program, so you can easily locate and distribute the information that you feel is most relevant to you and your key people.

Our sport team is made up of experts from different industries including sport, insurance, risk management and commercial/corporate enterprises. Our ability to meet and exceed expectations is due to our capability to listen to your needs and understand your specific risks – then find you the most appropriate insurance options available for those risks.

Motorsport

Gallagher has a long and proud history with motorsport in Australia. We are extremely proud of our ongoing partnership with Motorsport Australia. We believe it is exciting when two organisations, Gallagher and Motorsport Australia, can come together to develop a new range of benefits for members of the sport.

Risk Management

Insurance is only one part of an effective risk management program. The aim of insurance is to address some of the financial implications if/when an incident occurs.

Preventing undesirable incidents is preferable to lodging an insurance claim.

Avoiding unwanted surprises, minimising losses and maximising opportunities, is critical to the ongoing development of all motorsport and Motorsport Australia can provide excellent support in this area.

A simple risk management program that provides an organised approach to managing risk will ensure the highest quality motorsport is delivered to your members and key stakeholders.

Motorsport Australia is committed to delivering safe motorsport via best practice resulting in the highest levels of safety and we urge all affiliated clubs and permit holders to ensure that risk management (including safety) is embedded within your organisation's culture and operations.

Additional insurance options for Motorsport Australia members

Whilst we provide Motorsport Australia with a National Insurance Program including Public Liability and Personal Accident Insurance, these policies cannot and do not cover everything for everyone.

Therefore, Gallagher offers a broad range of additional insurance options specifically for Motorsport Australia members.

Additional insurance available* for Motorsport Australia affiliated clubs and individual members include but are not limited to:

- **Extended personal accident insurance** (Individual upgrades of the Motorsport Australia cover)
- **Directors and Officers Insurance** (Management Liability)
- **Static and Transit insurance cover** (Cars, and equipment)
- **Club/Track property insurance**
- Additional **Event Liability insurance** for activities not currently covered through the Motorsport Australia National Program (such as entertainment or non-motorsport risks)
- **Life/Trauma and Income Protection Insurance** (separate to the Motorsport Australia Program for individuals)

***Please note:** The above products are not exhaustive and are not included as part of the National Insurance Program. Motorsport Australia members should carefully review their individual circumstances and seek advice from Gallagher regarding risk protection and insurance options.
