Attention: Touch Rugby League Affiliated League Operators, Players and Officials

Gallagher has been working in close partnership with the Australian sports industry for over thirty years, developing insurance and risk protection programs that identify and address the risks associated with sport. We are extremely delighted to work in partnership with TRL to provide a program designed to improve all aspects of a member's physical, legal and financial safety.

We have pleasure in enclosing details of the National Insurance Program for TRL, which is extended to all affiliated TRL franchisees and their members.

The national program provides the following cover:

- Public and Products Liability with Professional Indemnity insurance
- Sports Injury Rehabilitation (Personal Accident) insurance

Leagues and their members can also pay additional premiums for the below tailored programs:

- Sports property insurance (Buildings/Club/Team equipment)
- Sports travel insurance
- Life Insurance

The benefits provided by the program are not comprehensive and we would encourage all participants to take out Private Health, Life and Income Protection Insurance according to their own individual circumstances.

To maximise our service to all Affiliated TRL Leagues and Members, we have a specialised sports team with a dedicated Team Leader, an Account Executive, an Assistant Account Executive, a Claims Manager and two Sports Claims Specialists.

If you have any queries in regard to this insurance program or require assistance with any other insurance or risk management matters please give us a call. We look forward to providing exceptional service to the TRL community.

Public liability claims – incident reporting procedure

1. Incident Reporting

In the event of any incident which may give rise to a claim, the affiliated franchise owner/operator is required to immediately inform Gallagher on **1800 931 129** or email **sport@ajg.com.au**.

The most important points to be borne in mind upon the happening of an incident likely to involve a claim are:

- full details of the circumstances should be obtained on the spot by completing an Accident &/or Incident Report form;
- the names and addresses of all witnesses (preferably independent) should be noted and statements obtained;
- no admission of liability or promise of payment should be made to any injured party or for any property damage;
- All legal requests must be immediately advised to Gallagher.

2. Intimated/Actual Potentially Serious Claims

Where a letter is received intimating a claim against the Insured, whether from a player, spectator, any third party, or from lawyers or proceedings are served, prompt action is vital. Gallagher must be immediately advised, where possible, the same day as the letter or the service of the proceedings are received.

3. Documents to be sent to must include

- Completed Accident &/or Incident Report form.
- Copy of the letter of complaint.

- Disclose policy terms unless legally required to do so.

It is a requirement to advise of all incidents / circumstances, which might give rise to a claim against you. It is important that Insurers are notified of potential claims at the earliest opportunity so that a response can be agreed.

SECTION 3 – FREQUENTLY ASKED QUESTIONS

Q1 Non-members or members playing in non-sanctioned events

Are non-members or members participating in non-sanctioned events, covered by the TRL Australia National Insurance Program?

No. Any participant in an event (including social events) who is not a registered, is not insured. If any member participates in an event that is not sanctioned by TRL Australia or the Affiliated TRL Franchise, they too are not insured and must check the insurance offered by the event organiser.

Q2 Emergency transport expenses

What is the process for claiming for emergency transport expenses?

1. Incident occurs (club / organiser will have a log of the incident and is responsible for submitting incident report to Gallagher).
2. Transport provided / Player is billed by transport provider.
3. Player claims via private / public insurance (depending on State) in first instance. Private / public insurance may not cover full cost of transport which can then be claimed against the TRL Australia personal accident policy.
4. Gap between private / public insurance can be claimed against the personal accident policy. The personal accident cover is conditional on the event incident reports / logs being received from Organisers.
5. Claim for emergency transport occurs after account with transport provider has been settled.

Players are encouraged to settle their account directly with the transport provider before seeking reimbursement through the personal accident policy. This will ensure that the player does not incur penalty charges. However, the insurer can pay the emergency transport provider directly, under the following circumstances.

When private / public insurance exists: once player has claimed via private / public insurance, the benefit statement and emergency transport invoice can be lodged with the personal accident claim and the insurer will settle the gap directly to the transport provider.

Q3 Medicare gap

Does this insurance cover the 'GAP' between the cost of medical treatment and the Medicare rebate e.g. physicians, surgeons, anaesthetists?

No. Government legislation does not allow it. This policy cannot by law cover medical expenses that are covered by Medicare, including the gap between the expense and the Medicare rebate. However, if an injured TRL member is covered by private health insurance, the personal accident policy will pay the balance above the private health insurance refund on expenses not claimable through the Medicare system, subject to the percentage reimbursement, the limit per injury and the excess applicable.

Q4 Weekly benefits – timeframe for payment

If I am eligible, what is the ongoing timeframe for payments of the weekly benefit?

Once the initial paperwork has been received and processed and the benefit has been deemed as available to your situation, we will request that you provide a doctors certificate outlining the dates that you are away from your employment and the condition from which you currently suffer. This certificate must not be longer than 4 weeks away from work and must be provided every 4 weeks.

Q5 Expenses timeline

My injury seemed to be okay, so I continued playing. 13 months later I require surgery, can I claim?

No. Any expense incurred more than 12 months from the initial date of injury is not covered. You also require medical advice to return back to playing.

SECTION 4 – OTHER MATTERS

Certificates of insurance

A Certificate of Insurance can be obtained by visiting www.ajg.com/au/insurance/sports-insurance/touch-rugby-league.

The average clause (under insurance)

Many policies contain a co-insurance (or average) provision whereby you may be required to bear a rateable proportion of the loss in the event that the sum insured is less than the value of the insured property at the commencement of the insurance. Sums insured should be such as to ensure you are not penalised by this provision.

Hold harmless agreements

You will prejudice your rights of a claim if, without prior agreement from your insurer, you make any agreement that may prevent the insurer from recovering the loss from a third party. These 'hold harmless' clauses are often found in leases, in maintenance or supply contracts (e.g. from burglar alarm or fire protection installers), building or repair contracts and sales agreements. If you are in doubt consult us.

This notification requirement applies to all Property insurances and also to Public Liability insurance. It has a special connotation in Products Liability where you must not without the insurer's agreement, indemnify or hold a supplier harmless.

Insuring the interest of other parties

If you require the interest of any additional parties to be covered you MUST request this. Most policy conditions will exclude indemnity to other parties (e.g. mortgagees, lessors, principals etc.) unless their interest is properly noted on the policy.

Utmost good faith

Insurance contracts are subject to the doctrine of Utmost good faith and this is part of the law. Both parties must strictly adhere to utmost Good Faith and if you fail to do so, you may prejudice any claim.

Notice regarding this manual

The following points should be borne in mind at all times:

3. This manual is not to be construed as legal evidence of insurance.
4. It is essential that you comply with all relevant laws, by-laws and regulations. You must take all due and reasonable precautions to prevent or mitigate losses, acting as though you were uninsured.
