Dear Touch Rugby League Members,

We are pleased to present this quick guide to the Touch Rugby League National Sports Injury insurance program.

The purpose of this quick guide is to provide an overview of some of the main covers of the policies as well as instructions on how to make a claim. For full details of cover please refer to the policy documents available on the Gallagher website at:

www.ajg.com/au/insurance/sports-insurance/touch-rugby-league.

General Insurers in Australia are prohibited from making payment on any expenses for which a Medicare benefit is paid or is payable including the balance of monies due or payable by you after the deduction of any Medicare benefit or rebate from the actual expense incurred. This is commonly referred to as the “Medicare Gap”, (refer to National Health Act 1953).

The cover provided under this program is not “comprehensive” and is intended to compliment other insurance cover you may have in place. You will need to be mindful of any undertakings that are relevant to your player contractual obligations (Private Health insurance) and we encourage all participants to consider their own individual needs and circumstances in relation Private Health, Life and Income Protection insurance. It is an individual’s responsibility to ensure that they have adequate insurance cover for their individual needs.

We wish you a safe and enjoyable season.

Yours sincerely,

Gallagher Sport
