SECTION 2 – CLAIMS PROCEDURES

General information

The following basic rules will assist in the smooth and speedy settlement of all athletes claims:

- Notify claim to the appropriate person/party as soon as possible.
- At no stage should liability be admitted.
- All summons/writs concerning insurance must be sent to Arthur J. Gallagher & Co (Aus) Limited.
- When a criminal act is involved or suspected, the police must be notified.
- Receive insurer's authorisation prior to repairing/replacing damaged property or equipment, except in instances where there is potential for further loss or damage, whereupon immediate action should be taken.

More detailed instructions relative to specific types of claims are provided on the following pages for:

- Public Liability and Professional Indemnity
- Association Liability
- Sports Injury (injuries within Australia):

Public liability claims – incident reporting procedure

1. Incident Reporting

In the event of any incident which may give rise to a claim, the operator/manager is required to immediately inform Terry Berryman of Gallagher on (07) 3367 5010 or terry.berryman@ajg.com.au.

The most important points to be borne in mind upon the happening of an incident likely to involve a claim are:

- full details of the circumstances should be obtained on the spot by completing an Accident &/or Incident Report form;
- the names and addresses of all witnesses (preferably independent) should be noted and statements obtained;
- no admission of liability or promise of payment should be made to any injured party or for any property damage;
- all legal requests must be immediately advised to Gallagher.

2. Intimated/Actual Potentially Serious Claims

Where a letter is received intimating a claim against the Insured, whether from a player, spectator, any third party, or from lawyers or proceedings are served, prompt action is vital. Gallagher must be immediately advised, where possible, the same day as the letter or the service of the proceedings are received.

3. Documents to be sent to must include

- Completed Accident &/or Incident Report form.
- Copy of the letter of complaint.
- Writ/Court documents.
- Comments from the person who carried out any treatment at the scene and the club management comments.

4. Do not

- Admit liability nor offer any payment.
- Appoint solicitors without consent of Gallagher.
- Disclose policy terms unless legally required to do so.

It is a requirement to advise of all incidents / circumstances, which might give rise to a claim against you. It is important that Insurers are notified of potential claims at the earliest opportunity so that a response can be agreed.

Association liability (directors and officers) claims

Any circumstance giving rise to a Directors & Officers / Association liability claim is to be notified to Terry Berryman of Gallagher on (07) 3367 5010 or terry.berryman@ajg.com.au immediately.

- It is a condition of your policy that you do not admit liability. This must be left to the insurance underwriter and their legal representatives to conclude.
- Any writ, summons, letters of demand, etc, must be forwarded to Gallagher immediately.
- You must assist the underwriter with their investigations and co-operate with any potential recovery actions.

Sports injury (personal accident) claims

All claims should be lodged at least within 30 days of the date of injury. When a player is injured and wishes to submit a claim the following procedure needs to be followed:

1. Obtain a specialised Gallagher WAWA Sports Injury Rehabilitation Claim Form from Gallagher by calling 1800 931 129 or emailing sport@ajg.com.au.
2. Arrange for your treating doctor to complete the "Doctors Statement".
3. Arrange for your affiliated State General Manager to complete the "State Declaration".
4. If claiming for loss of income, have your employer complete the "Employer Statement".
5. Send your fully completed claim form to the below:

Minimising claims and injuries

Insurance is quite often one of the largest expenses for a sporting organisation. Premiums for sports insurance are largely based on claims experience. This means that if the number and amount of claims increase each year, it is most likely the premium will increase accordingly or cover will need to be reduced.

The only way to avert premiums increasing each year is to contain or reduce the number of claims you have. But effective management of risk, involving avoiding unwanted surprises, minimising losses and maximising opportunities goes much further than controlled insurance premiums. It is critical to the ongoing development of any organisation. Effective risk management requires a structured program that provides a systematic approach to managing risk, ensuring that the highest quality of sport in your discipline is delivered via best practice management. It addresses physical, financial, legal and political risk in areas such as safety, compliance, finance, program operation and image and reputation. It is an ongoing process subject to continual monitor and review.

Gallagher is committed to working with Volleyball Australia and all its State Affiliates to assist them in delivering their sport using best practices and will provide assistance in risk management resources in this regard. From the insurance aspect this includes providing regular claims and injury reports with the aim of identifying injury intervention strategies. This data is useful to you, but there are many other ways that your organisation can aid in reducing losses and help prevent injury.

These include:

1. Ensure that people who handle claims for your association understand that the claims paid have a direct result on the premium your club and members pay.
2. Ensure all claims are genuine and that they are not pre-existing or occurred at non sanctioned activities.
3. Keep an eye out for members who are obtaining a high amount of medical rehabilitation treatment.

The idea of trying to minimise injuries is not only for the benefit of your insurance premiums, but more importantly, to reduce a potential loss to your member.

SECTION 3 – FREQUENTLY ASKED QUESTIONS

Q1 Non-members or members playing in non-sanctioned events

Are non-members or members participating in non-sanctioned events, covered by the Waterski & Wakeboard Australia National Insurance Program?

No. Any participant in an event (including social events) who is not a registered member, other than come'n'try participants are not insured. If any member participates in an event that is not sanctioned by Waterski & Wakeboard Australia or the Affiliated State/Association/Club, they too are not insured and must check the insurance offered by the event organiser.

Q2 Emergency transport expenses

What is the process for claiming for emergency transport expenses?

1. Incident occurs (club / organiser will have a log of the incident and is responsible for submitting incident report to Gallagher).
2. Transport provided / participant is billed by transport provider.
3. Player claims via private/public insurance in first instance. Private/public insurance may not cover full cost of transport which can then be claimed against the WAWA national personal accident policy.
4. Gap between private/public insurance can be claimed against the personal accident policy. The personal accident cover is conditional on the event incident reports/logs being received from Organisers.
5. Claim for emergency transport occurs after account with transport provider has been settled..

Participants are encouraged to settle their account directly with the transport provider before seeking reimbursement through the personal accident policy. This will ensure that the player does not incur penalty charges. However, the insurer can pay the emergency transport provider directly, under the following circumstances.

When private / public insurance exists: once participant has claimed via private / public insurance, the benefit statement and emergency transport invoice can be lodged with the personal accident claim and the insurer will settle the gap directly to the transport provider.

Q3 Medicare gap

Does this insurance cover the 'GAP' between the cost of medical treatment and the Medicare rebate e.g. physicians, surgeons, anaesthetists?

No. Government legislation does not allow it. This policy cannot, by law, cover medical expenses that are covered by Medicare, including the gap between the expense and the Medicare rebate. However, if an injured WAWA member is covered by private health insurance, the personal accident policy will pay the balance above the private health insurance refund on expenses not claimable through the Medicare system, subject to the percentage reimbursement, the limit per injury and the excess applicable.

Q4 Weekly benefits – timeframe for payment

If I am eligible, what is the ongoing timeframe for payments of the weekly benefit?

Once the initial paperwork has been received and processed and the benefit has been deemed as available to your situation, we will request that you provide a doctors certificate outlining the dates that you are away from your employment and the condition from which you currently suffer. This certificate must not be longer than 4 weeks away from work and must be provided every 4 weeks.

Q5 Expenses timeline

My injury seemed to be okay, so I continued playing. 13 months later I require surgery, can I claim?

No. Any expense incurred more than 12 months from the initial date of injury is not covered. You also require medical advice to return back to participating.

Q6 Commercial Operations

I'm running my own coaching business or commercial ski or camping facility, am I insured under the WAWA programme?

Only if the program you are running is sanctioned by WAWA, and all participants are WAWA registered members.

SECTION 4 – ADDITIONAL INSURANCE

Sports Travel Insurance

Travelling overseas can bring with it the risk of incurring extremely high medical expenses. Whilst the National Personal Accident program will provide up to \$5,000 worldwide, this is not enough for any overseas treatment.

Gallagher has developed a tailored sports travel policy which includes participation, as most personal travel policies will exclude whilst playing your sport. Below is a snap shot of the benefits of the program::

- Medical and Evacuation Cover
- Cancellation, Loss of Deposits and Missed Transport Connection Cover
- Baggage and Personal Belongings, Money & Sporting Equipment Cover
- Kidnap, Hijack or Detention Cover
- Rental Vehicle Excess Cover
- Political / Natural Disaster Evacuation Cover
- Overbooked Flight Cover
- Personal Liability Cover

Event Cancellation, Abandonment & Non-Appearance Insurance

WAWA, States and Clubs invest a considerable amount of time and finance into staging various race events. Loss of, or denial of access to a location, utility failures, power failures, non-appearance of key persons, and severe adverse weather are typical of the risks that can be transferred onto a Cancellation, Abandonment and Non-Appearance insurance contract. Such insurance placements can be tailored to insure for particular event scenarios and this insurance should be considered by WAWA or any clubs should it wish to mitigate the costs it may incur prior to the event being cancelled.

Waterski, Camping & Licenced Club Liability Program

Our sports insurance facility can also provide your members with liability for standalone water ski park / cable ski parks or additional exposures that fall outside WAWA's national scope such as licenced club or camping ground activities. Minimum premium for this program starts from as little as \$1,050 for licenced club activities &/or \$1,500 for camp ground activities.

We have designed a sports specific property insurance program, with well over 1,000 sporting clients currently insured through Gallagher. Below is our program available to all affiliated state or club offices.

Hold harmless agreements

You will prejudice your rights of a claim if, without prior agreement from your insurer, you make any agreement that may prevent the insurer from recovering the loss from a third party. These 'hold harmless' clauses are often found in leases, in maintenance or supply contracts (e.g. from burglar alarm or fire protection installers), building or repair contracts and sales agreements. If you are in doubt consult us.

This notification requirement applies to all Property insurances and also to Public Liability insurance. It has a special connotation in Products Liability where you must not without the insurer's agreement, indemnify or hold a supplier harmless.

Most policy conditions will exclude indemnity to other parties (e.g. mortgagees, lessors, principals etc.) unless their interest is properly noted on the policy.
