Lack of Independence

Gallagher Benefit Services Pty Ltd, its authorised representatives and its employees are not able to describe itself/themselves as being independent, impartial or unbiased because:

- We receive commissions, volume-based payments, gifts or benefits from financial product providers which may influence the advice we provide;
- We have an approved product list which limits the range of products that we can recommend when providing advice to you.

About Us

As part of a global organisation, Gallagher has experts wherever you do business, which means having benefits and HR consultants who know the local markets and the issues employers face. Gallagher's Benefits & HR Consulting operation in Australia brings together employee benefits, corporate superannuation, financial wellbeing and workplace culture to empower employees to make the best decisions for their health, wealth and future.

Our services

Gallagher holds an Australian Financial Services Licence under the Corporations Act which authorises us to deal in (including to issue and arrange for others to deal in), and provide personal and general advice. In providing advice and other services described in this FSG, your adviser acts on behalf of Gallagher Benefit Services Pty Ltd who is responsible for the services we provide. We provide personal and general advice regarding the following products:

- Deposit and payment products;
- Derivatives;
- Life products including:
 - Investment life insurance products; and
 - Life risk insurance products;
- Interests in managed investment schemes including investor directed portfolio services;
- Retirement savings accounts;
- Securities;
- Standard margin lending facility; and
- Superannuation.

Gallagher Benefit Services Pty Ltd utilises a broad approved product list, containing investment and insurance products that have been researched by a number of external research houses.

A copy of the approved product list for financial products can be supplied to you upon request.

Please refer to your representative's profile for a list of strategies and products they can recommend.

Transaction services

If you do not require advice from us, but you would like us to help you complete a particular transaction, we can also arrange for you to apply for the kinds of products referred to in your representative's profile. In these cases, we can take your instructions and arrange for the transaction to be completed without providing you with personal advice. Fees for transaction services are charged based on an hourly rate as outlined in the 'Advice fees' section of the Representative Profile.

It is important to understand that in these circumstances we will generally ask you to confirm your instructions in writing and to sign a letter that acknowledges you have declined our offer of advice as well as understand the risks of a transaction service. You will be provided with a copy of the letter for your own records.

You can also contact us directly with any instructions relating to your existing financial products. We will accept instructions from our existing clients via telephone, mail or email.

Our advice

When we provide you with advice this may be general advice or personal advice.

If we provide you with general advice we will give a general recommendation or opinion about a product which is not based on a detailed consideration of your individual needs, objectives or financial situation. When giving general advice, we will give a warning that you should read the relevant Product Disclosure Statement (**PDS**) and policy wording in full and consider whether the product in question is appropriate for your circumstances.

If we provide you with personal advice, we will review and consider your individual circumstances before providing our advice. We may also provide you with a PDS and/or a Statement of Advice (**SOA**) (if required). You should read these documents carefully before acting on our advice.

If we provide you with personal advice and we do not provide you with an SOA, you may request a Record of Advice (ROA) at any time up to seven years after the advice was provided by calling or emailing your representative.

Statements of Advice, Record of Advice and Product Disclosure Statements

If we provide you with personal advice, we will, where required, give you a Statement of Advice, or a Record of Advice, and a Product Disclosure Statement.

An SOA will explain our advice, including the basis for our advice and the information we have relied on. It also includes details about how we are paid and any relevant relationships or associations we may have which may have influenced the advice we have given.

If we provide you with further advice, it will be recorded in a ROA. ROA's will be kept on record for seven years and you may request a copy of such records by contacting our office during that period.

A PDS is prepared by the product provider and is designed to give you important information on the features, benefits and risks of the product to assist you in making an informed decision about whether to buy the product or not.

You should read these important documents before acting on any advice we have given you.

Electronic delivery

If you have supplied your email address to us, we will send documents including this FSG, SOA and PDS (if required) to that address unless you instruct us that you wish to receive these documents via a different method (e.g. hard copy sent to you by post).

How we can receive your instructions

In order for us to act on your behalf you must provide us with instructions and other information about the services you require. You can give us instructions using the contact details at the end of this FSG or to your representative described in the relevant Representative Profile. In some circumstances it may be necessary for you to give us instructions in writing. We will tell you when this is the case.

Important relationships and conflicts of interest

In some cases we may refer or advise you to use the services of other companies in the Gallagher Group both in Australia and overseas. All negotiations with other companies in the Gallagher Group are carried out at an arm's length as if we were conducting business with an unrelated third party.

Where there are potential conflicts of interest in our remuneration arrangements or in our dealings with related parties, they are managed in accordance with our conflicts of interest policy which all staff and representatives must comply with.

Our financial planning process

Everyone has different circumstances, needs and goals. We treat every client as an individual, but follow a defined financial planning process, to make sure you know what to expect from us.

Identifying where you want to be

We help you identify your financial and lifestyle goals and explain the services we offer to help you achieve them. The type of advice you need could depend on your life stage, the amount of money you want to invest and the complexity of your affairs.

We will help you to identify the range of issues that need to be addressed to meet your goals. You can then decide whether you want our advice to meet a single need or a broad range of issues.

Considering opportunities and risks

Good personal advice starts with having an understanding of your current situation. We take a close look at your current financial situation – assets, debts, income, expenses and insurance, and explore the options you could use to reach your goals.

Bridging the gap

Based on the research we have conducted, we will recommend a strategy to bridge the gap between where you are now and where you want to be.

Bringing your plan to life

We work closely with you to implement your financial plan. We help you to complete any necessary paperwork and are available to attend meetings with your accountant, solicitor and general insurer so that your strategy is implemented efficiently.

Staying on track with regular ongoing advice

Time goes on and circumstances and needs change. The final step in our advice process ensures your financial plan remains on track, by providing you with regular ongoing advice.

We design an ongoing service programme to ensure your plan remains up to date as your life changes and so you can obtain the benefits of ongoing reliable advice.

Sometimes, life takes us in unplanned directions. When you need a little extra help on top of our initial or ongoing advice, just ask us to provide you with some additional advice. We are there to help you – whatever the occasion.

Fees

Consulting Fees

At Gallagher, we offer a range of different consulting services. As such, our consulting fees depend on the scope, complexity and type of service provided. We will agree our consulting fees with you before proceeding with your requested services.

Financial Planning Fees

Our fees and charges, and when they are to be paid, will be discussed and agreed with you prior to us providing you with a financial service. The fees charged will be based on the scope and complexity of the advice provided to you and/or the value of the funds invested. Table 1 below provides a detailed list of the ways in which we earn our remuneration:

	In regards to insurance advice the initial advice fee can be deferred on the basis of the successful placement of business as outlined in the SOA and ensuring the insurance contracts are maintained for a 24-month period. More information about how we manage Conflicts of Interest is available by contacting your representative.

Cross referral relationships

As outlined in the 'Who we are' section of this FSG we are part of Gallagher. If we refer you to, or we receive a referral from, another Gallagher company, Gallagher benefits from both transactions. If we refer you to Arthur J. Gallagher & Co (Aus) Limited (ABN 34 005 543 920) or any other business within the Gallagher Group, we may receive a commission of up to 25% of the income generated in the first 12 months following the referral. We may share up to two-thirds of this amount with the employee who makes the referral.

Payments from other professionals

You may be referred to an external specialist to receive further advice. Gallagher Benefit Services Pty Ltd may receive a referral fee or commission for introducing you to the specialist. If the value of a referral fee is not known to us until we provide you with advice, this will be disclosed in your SOA if applicable.

Payments to other professionals

Where you have been referred to us by someone else we may pay them a fee, commission, or some other benefit in relation to that referral. We will give you documents explaining what fees and payments or other remuneration we will pay to third parties in relation to your advice, if you accept it.

Any personal financial advice we give you in relation to the purchase of investment products or insurance cover will be considered in light of your relevant personal financial situation, objectives and needs, and any advice of this nature will not be influenced in any way by these arrangements.
