

Arthur J. Gallagher & Co.

GALLAGHER AVIATION PRACTICE

**Specialized Insurance and Risk Management  
Services for Rotor Wing Operations**

# Helicopters Are Different. Shouldn't Your Insurance Recognize That?

Helicopters occupy a very special segment of aviation risk management. Your insurance broker's knowledge and expertise must reflect that. For decades, Gallagher Aviation's rotor wing team has been a core part of our business, commanding time and executive attention.

## Expertise in all rotor wing operations

- Agricultural/aerial applications
- DOD support
- Executive transport
- ENG
- Fire suppression
- Flight training
- HEMS
- Heavy lift
- Law enforcement
- Maintenance operations
- Offshore
- Powerline/pipeline
- Predator control
- Sales and demonstration
- Search and rescue
- Sightseeing
- Surveying
- Long line
- UAV

Gallagher's Aviation Practice helps our clients navigate the risk and liability issues that pertain to helicopters. We've developed a depth of knowledge about rotor wing design, maintenance and operations that you won't find elsewhere. Coupled with our strong underwriter relationships, this means you enjoy the most effective advocate in the industry. Gallagher draws from decades of experience with all types of helicopter operations and aircraft, from pleasure and business to DOD contractors.

# Our Rotor Wing Strengths

- Worldwide market access for worldwide clients—U.S., Lloyd's syndicate and non-syndicate
- High liability options as required
- Extensive product tech support—service bulletins and airworthiness directives
- Industry resource network, including OEMs
- Experience with rotor wing flight schools
- All helicopter types insured, including UAV, hybrid, electric

## Our industry involvement

Gallagher is involved in the organizations and events that matter to you, so we stay ahead of the curve on industry trends and issues.

We attend, exhibit and present at the following events:

- HAI Heli-Expo
- Air Medical Transport Conference
- NBAA Business Aviation Convention & Expo
- Airborne Law Enforcement Association Expo

## The Gallagher aviation difference

- Aviation contract review services
- Aviation law, both litigation and asset protection
- Safety management systems and IS-BAO audits
- Emergency response planning and family assistance
- Crisis consulting and reputation management
- International access through our London brokerage
- Support/participate in safety stand-downs
- Conduct and participate in emergency response drills
- 80 full-time aviation professionals in 16 United States offices

# Why Gallagher?

## Small world, big network

Arthur J. Gallagher & Co. is one of the largest insurance brokers in the world with divisions specializing in retail insurance brokerage operations, benefits and HR consulting, wholesale distributions and third-party administrations and claims processing. Gallagher has more than 680 offices in 33 countries and provides client-service capabilities in more than 150 countries around the world through our network of partners. Wherever you are and whatever your risk management needs — we're nearby.

## More than just helicopter insurance...part of your strategic asset management

Aviation insurance is all we do. This unswerving focus guarantees you the best coverage and the most knowledgeable staff in the industry. In a world dominated by automated responses, you'll always find a friendly voice on the phone ready to assist you.

From corporate flight departments and ground operations to owner-flown and specialty aircraft, Gallagher Aviation insures more than 7,000 aviation clients worldwide. As aviators ourselves, Gallagher's Aviation Practice leadership is committed to robust involvement in the industry.

Gallagher Aviation combines the influence of a global brokerage with the personal relationships of a local broker. While our headquarters are located in Chicago, we field representatives throughout the country to stay responsive to our clients and attribute much of our success to these close relationships. With decades of experience in international aviation, our client base spans the globe.
