Tailored Solutions for a Complex Industry

Our loss control specialists are devoted exclusively to helping you save money and securing your company's future through comprehensive services designed to:

- Identify potential sources of loss
- Reduce the frequency and severity of losses
- Reduce exposure to liability and loss
- Safeguard the health and safety of your personnel
- Protect your assets and profitability

Our comprehensive Loss Control Program lets you take advantage of the services that meet your particular needs, such as:

- Loss analysis and evaluation
- Fleet safety and defensive driving
- Regulatory compliance awareness

We Want to Be Your Partner

With Gallagher's Transportation Practice as your risk management partner you gain:

- **Experience.** Our current client base encompasses transportation companies from just a few units to several thousand units, utilizing both company drivers and independent contractors.
- **Partnership.** We get to know your individual operation to design a program for you. Our goal is simple: to assist in limiting your exposure, reducing risk and controlling losses.
- **National Support.** You have full access to Gallagher resources, including creative solutions such as captives and rent-a-captives.
- **Loss Control.** Our team of loss control specialists will work with you to develop an integrated program of prevention and safety in your business.
- **Claims Management.** Gallagher Bassett professionals will handle your claims in a prompt and responsive manner. Your claims can be reported 24 hours a day by telephone, fax or mail.

Gallagher Transportation Practice at a glance

- Place and administer coverage for over 130,000 power units
