HEALTHCARE COMPENSATION SURVEYS

The Healthcare Compensation Surveys You Trust – Plus More from Gallagher

For years, you have trusted the most complete data available in healthcare compensation surveys from the Compensation & Rewards service line of Gallagher's Human Resources & Compensation Consulting practice. As part of Gallagher, the same team brings you the robust surveys you expect—from staff through executive compensation, to nursing, advanced practice provider, medical director and beyond. These surveys, in combination with our consulting services, support your governance, compensation and benefit practices.

Ultimately, we work to enhance the overall wellbeing of your organization. Learn more at AJG.com.

OUR COMPENSATION SURVEYS OFFER

1

Unrivaled intelligence and benchmarking information gained from thousands of participants across the U.S.

2

More than four decades of dedicated healthcare compensation experience

3

Deeper insights at a variety of levels—so you can lead more effectively and manage more competitively

2022 HIGHLIGHTS

This year's enhancements include industry segments with surveys specific to staff through executive benefits (page 9) and behavioral health (page 7).

National Advanced Practice Provider Compensation Survey

UPDATED survey data schedule for 2022 -- now launching in **JANUARY!**

Participation Opens: **JANUARY 27, 2022** | Publication: **JULY 29, 2022**

For updated participation dates, please see our website.

Our National Advanced Practice Provider Compensation Survey is a focused study of total cash compensation, productivity and pay practices for staff- through leadership-level advanced practice providers. It offers the most exhaustive list of benchmark positions available in the industry with more than 70 for nurse practitioners and more than 60 for physician assistants, as well as nurse midwives, CRNAs, clinical nurse specialists and psychologists.

SURVEY FEATURES

- Features data from over 65,000 individual providers
- Positions by specialty, and hospital vs. clinic positions
- Data reported nationally and by region
- Comprehensive data on:
 - Pay practices (call pay, shift differentials, certification pay, etc.)
 - Incentive practices
 - Hiring practices
 - Workforce trends
 - Employer-sponsored career and educational advancement programs
 - Differential or “add-on” payments
 - Individual productivity compensation
 - PRN rates

National Behavioral Health Compensation Survey

Participation Opens: **FEBRUARY 17, 2022** | Publication: **SEPTEMBER 23, 2022**

For updated participation dates, please see our website.

Our fourth annual National Behavioral Health Compensation Survey includes compensation and pay practice data on numerous staff- through executive-level positions specific to the behavioral health industry segment. In terms of population health, a greater emphasis is being placed on ensuring behavioral healthcare services are accessible and available. Organizations must be able to benchmark compensation levels to recruit and retain employees who will provide top-quality care to their patient population.

SURVEY FEATURES

- An exhaustive list of benchmark positions, including top-level executives and staff-level patient care positions
- Comprehensive position data collected from both inpatient and outpatient behavioral health facilities, with data cuts presented for system-owned versus independently owned entities
- Organizations that complete our staff and leadership surveys will not be required to fill out a separate questionnaire for this survey; please include your behavioral health data in your staff and leadership surveys to be considered a participant
- Specialized data cuts available for participants, including regional peer groups, state cuts and more

Participation Opens: **FEBRUARY 24, 2022** | Publication: **AUGUST 26, 2022**

For updated participation dates, please see our website.

Our 23rd annual Children’s Hospitals Compensation Survey includes compensation data from executive and director positions exclusively at children’s hospitals. An additional staff level custom report for children’s hospitals is available for purchase with participation.

SURVEY FEATURES

- Participation includes over 40 of the nation’s premier, independent and subsidiary children’s hospitals
 - Features data represented separately for organizations that are a children’s hospital within a hospital facility
- More than 100 executive- and director-level positions surveyed
- Comprehensive data on:
 - Salaries
 - Salary increases
 - Incentive opportunities
 - Incentive awards

Physician Compensation and Production Survey

Participation: **JANUARY 3, 2022** | Publication: **AUGUST 2022**

For updated participation dates, please see our website.

Our annual Physician Compensation and Production Survey provides valuable insight regarding clinical and total cash compensation paid, productivity, and pay practices for employed physicians, as well as market trends in physician compensation. The 2021 Physician Compensation and Production Survey additionally analyzed the impact of COVID-19 on pay practices. Going forward, the 2022 survey will look at how recent adjustments made by the Centers for Medicare & Medicaid Services to the Medicare Physician Fee Schedule affected compensation and productivity pay practices.

SURVEY FEATURES

- Data collected on more than 77,000 physicians from 1,117 individual sites of service
- Reported on 151 physician specialties found in the market
- Comprehensive source for physician compensation data
- Data reported nationally and regionally
- Data on total cash compensation, including pay practices (e.g., call pay, production and quality incentives, medical director and administrative pay, APP supervision), compensation philosophy and governance practices

Physician Call Pay Survey

Participation: **DECEMBER 6, 2021** | Publication: **MAY 2022**

For updated participation dates, please see our website.

Our 2021-2022 Physician Call Pay Survey provides valuable insight into call coverage arrangements as all areas of physician compensation have become more heavily scrutinized.

SURVEY FEATURES

- 2020-2021 survey included call pay data from 49 specialties
- 2020-2021 survey had data from more than 2,400 arrangements
- Data also reported by arrangement type (i.e., employed vs. independent contractor, trauma designation, etc.), for the most robust source of unrestricted call coverage data available in the industry

Participation Made Easy

Our Data Extraction Template Is Available for All Participants

We appreciate you taking the time to complete our compensation surveys each year. Thank you for continuing to choose our surveys.

From our online compensation survey gateway at <https://surveys.ihstrategies.com>, you can:

- Manage multiple user accounts for your organization
- Access and submit survey questionnaires
- View survey participation status
- Access all of your purchased survey reports

Download The Data

Download the survey data extraction template from your account at <https://surveys.ihstrategies.com>, then:

- Simply drop your employee compensation data into the survey data extraction template
- Match your job codes to our position benchmark codes

THAT'S IT!

No need to aggregate data by position and average wages, and no need to report multiple entities separately.

Get on the fast track to submitting your data. Ask a member of the compensation survey team how our data extraction template can work for you.

Contact Us To Set Up Your Account

Receive ongoing compensation updates, sign up for our 2022 compensation surveys and preorder your copy of the results. Our data extraction template simplifies the process, making it even easier to participate in all of our surveys.

REMINDER: Survey participants receive a discount on their survey results, and some results are only available to participants.
